

The 3rd Annual Forest Festival in Port Gamble held on Saturday, September 26, 2009. Our focus of this Festival is to promote the forest and the activities that the land provides, which include wildlife habitat, recreation and renewable products. The committee is has hard at work to make the Festival a great success once again. The Forest Festival will be sharing the weekend with Port Gamble Old Mill Days and will schedule event to complement each venue.

The Forest Festival will take place from 9am to 6pm and to kick off the Festival will have a Pancake Breakfast starting at 8:00 AM. Activities like Lumberjack show and Chain-saw carving are just a few of the fun we have planned for the day. Not to mention the Carnival rides that Old Mill Days will provide.

I am writing you because we believe your organization would be a great addition to our Festival. As an exhibitor, your 10 X10 booth space will be FREE. If you need additional space or have sellable products, there is a fee \$25. However, your focus should be on your organization, not selling items. If you wish to be a vendor, please go to www.oldmilledays.com and download the vendor's application.

This year we are asking all our exhibitors to have an interactive activity for the general public to enjoy, something that represents your organization. For example; Fly fishermen could demo a casting technique. Backpacking could demo how to pack a day pack. You can set the schedule and post it in your booth for the public to attend.

Fill out the exhibitors form attached with this letter to hold your place at our festival.

If you have any questions, please feel free to call me at anytime. My number is 360.394.0531 or Sharon Greany at 360.394.0507.

Looking forward to hearing from you,

Sincerely,

Cathy Houston
